

GentleSpace Green Warehouse system

BY470Z IPT

Infrared programming transmitter

This dedicated system makes it easy for warehouse developers and facility managers to achieve maximum energy savings. It seamlessly integrates state-of-the-art LED lighting with an easy-to-use and reliable networked control solution. When the situation on the work floor changes, settings such as dimming levels and timing can be changed wirelessly by the end-users themselves. Luminaires can be combined in groups across the layout, and re-zoning them does not require a hardware change, thus minimizing commissioning costs. The system delivers savings over and above the actual efficiency of the LEDs and is future-proof. Easy to understand, easy to design-in, and easy to use, the GreenWarehouse is simplicity itself.

Product data

General Information		Order product name	
Suspension accessories	No [-]	Order product name	BY470Z IPT
Product Family Code	BY470Z [GentleSpace 2 acc]	EAN/UPC – product	8718696302040
Operating and Electrical		Order code	30204000
Electrical accessories	IPT [Infrared programming transmitter]	Numerator – quantity per pack	1
Mechanical and Housing		Numerator – packs per outer box	1
Dimensions (height x width x depth)	NaN x NaN x NaN mm (NaN x NaN x NaN in)	Material no. (12NC)	910925259590
Product Data		Net weight (piece)	0.260 kg
Full product code	871869630204000
